

Bushfire Preparedness Checklist

Be Ready, Stay Safe!

Create a Bushfire Plan

- Discuss and document your evacuation plan
- Know when to leave and where to go
- Plan for pets and livestock

Assemble an Emergency Kit

- Pack water, food, and first aid supplies
- Include batteries, torches, and portable radio
- Have protective clothing like masks, gloves, and sturdy shoes

Stay Connected

- Save important contacts and websites
- Have a full charged phone and backup power
- Dial **000** in an emergency

Prepare Your Property

- Clear gutters and remove dry vegetation
- Trim trees and bushes near your home
- Move flammable items away from the house
- Check hoses, pumps, and firefighting equipment

Know the Warnings

- Understand Fire Danger Ratings
- Stay informed with alerts and updates
- Monitor weather conditions

IN CASE OF EMERGENCY

DIAL 000
